

Living Water

*If you knew the gift of God and who it is that asks you for a drink,
you would have asked him and he would have given you living water.
(John 4:10, NIV)*

Jesus, we're like
the woman You met at the well.
You come to us with promises so lofty
we barely understand them.
It's hard for us to believe that
You can provide anything greater than
what we already have and seek.

We're like the pigs in Matthew 7:6.
You offer us pearls.
We find we can't eat them,
so we trample them as worthless.

But Lord,
if we simply taste the water You offer,
we find that we want nothing else.
Nothing else we have ever desired
has satisfied us.
We have always ended up thirsty.
But more and more,
we want only You.

Lord, we are thirsty.
Give us this water.

*Father, I come to You now
as I have always been:
empty,
helpless, and
totally dependent on You.*
