

One with Your Creator

Read Ephesians 2

Remember who you were and what you were like
before God forgave you and began renewing you.
Remember the sudden change that happened in a moment.
Remember the gradual change that is still going on as you trust Him.
Remember how imperfect and inconsistent you still are.

Look ahead.

Imagine being one with your Creator.

The relationship He intended is complete and constant.

His power has done all its work.

His wisdom has had its way.

His love is satisfied and smiling.

You are one with Him.

The glory of the Living Christ is shining from every corner of your being,
with no shadows and
no hidden places.

You are one with Jesus Christ.

We are all one with Him.

His beautiful creation is complete.

Jesus Christ, the sovereign Word of God,

God's will in action,

God's agent in creation,

is recreating us into His own perfect image,

the image of our Creator Himself.

Our future is in Him.

Our destiny is in Him.

I am confident of this very thing, that He who began a good work in you will perfect it until the day of Christ Jesus. (Philippians 1:6, NASB)
