

Prayer Is Simply Talking to God

Prayer is conversation with God.

Who can pray?

Absolutely anyone.

God only asks that we trust Him—
that we believe He is listening and
will respond to us.

How do I pray?

Simply talk to Him from your heart.
You can pray in silence or out loud,
sitting, kneeling, or in any position.

How long should I pray?

Prayers can be as short as a single sentence, or
as long as you need them to be.

Where should I pray?

God is always with you and is
always listening.

Pray anywhere—at home, at work, or
in the privacy of your car as you drive.

Pray alone or with others.

What should I talk to God about?

Whatever is on your mind.

Thank Him for each blessing, big and small.

Immediately share each concern
as it arises and ask for His help.

Pray for others—

for your family, your friends,
your nation, your world . . . or
for the person ahead of you in line.

God is always with you.

He always listens when you pray.
