

What Is Hindering Me?

Jesus, I fix my eyes on You.
What is hindering me from
 following You more boldly?
What is distracting me from
 hearing Your words more clearly?
What will I gladly throw aside after
 just one glimpse of eternity?

Speak, Lord.
Speak Your love, and
 I will listen.

*Father, I know that
even Your judgment is
an expression of Your love.
You destroy in order to build up.
Do I have any
 habits or
 attitudes
You'd like to destroy?
In what ways am I not living up to
Your full provision for me?
Do what pleases You, Father.*
