

God Alone

We grasp so much for material goods
though they give us little satisfaction.
Yet we are satisfied with so little of God.
He has endless treasures to give,
and we are content with only passing moments of inner joy.

Give yourself entirely to God.
Make pleasing Him your only concern.
Whatever you do throughout your day,
do it for Him.
Turn away from everything that doesn't lead to Him.

You were made for God alone.
Find your happiness in loving Him.
