

## Worship Devotional

Father, as I stand in Your presence,  
how can I help but praise You?  
How can I help but worship and adore and exalt You?  
You are God, and  
I have lived my whole life  
surrounded by Your mercy.

You and I know what kind of person I really am,  
yet You love me and  
forgive me and  
keep drawing me toward You.  
How can I possibly respond to that, Lord?  
How can I love and praise You?
