

Father and Son

John 14 – 17

Father, I was attracted to Your Son Jesus
because of You.
I sensed in Him something more than myself,
something more than I could ever be on my own.
I sensed You in Him,
the Almighty God,
the absolute,
the transcendent,
the pure,
the impossibly holy.
Yet Your purity was now human,
seeable,
touchable, and
relatable.
I saw “human” and “holy” joined
in one Person.
I was drawn to
love Him and
trust Him
because I saw You
in Him.

Now, I find Him drawing me back to You.
Through Him
I am learning to know You.
Through Him
I am brought into Your holy presence.
I am finding Him to be
the way to You,
the truth about You,
the life that flows from You.
In Him
I hear all Your heart wishes to say to us.
In Him
I begin to see all You are doing for us.
In Him I share Your Father-Son relationship:
I receive a Father’s deep love for His holy Son.
I return a Son’s worshiping love for His pure and perfect Father.

In Your Son I breathe
Your Spirit,
the same Spirit that made Your Son so beautiful.
In Him I breathe

Your wisdom,
Your holiness,
Your love.
In Christ,
through Your Spirit,
I breathe the peace and perfect union of
Father and Son.
