

## Christ Comes

Christ comes  
    into difficult, unjust circumstances,  
    into low places,  
    into the darkness.  
He comes as the fulfillment of all God's promises.  
He is our glorious God made  
    completely human.

He brings good news of great joy.  
He brings new life.  
He brings salvation from all that oppresses us.  
He brings  
    hope and  
    praise and  
    the promise of peace.

Like the shepherds,  
will you leave everything else you're doing and  
    come to Him?  
Will you bow to Him, not only your knees, but  
    your heart,  
    your plans,  
    your daily life?

Then will you go and  
    share the joy you have found?  
Will you spread the wonderful news that  
    He has come?
