

## As You Lead

Father, as we prepare to gather for worship,  
prepare each of us to act as You lead.

We want to glorify You.  
We want to bless  
    Your people in  
    Your name.

Speak, Lord.  
Prod us.  
Use us as pleases you.

Help us to listen for Your still small voice in  
    the big things and  
    the small things.

Fill our routines with new meaning  
as we pay new attention to  
    Your Word and  
    Your Spirit.

When You prompt us in unexpected ways, Father,  
    may we obey.

By our obedience, we know You will make today's gathering of Your people  
    all You want it to be.

That is what we want too, Lord.  
Use us today.
