

## God Is Drawing Us to Himself

Do you hear God's Word continually prodding you?

It is urging you to

give thanks to Him!

Sing to Him!

Rejoice in Him!

Praise Him!

Trust Him!

Hope in Him!

Delight in Him!

Do you hear God calling?

God is calling us to Himself.

He is the source of

all life,

all love,

all blessing,

all that is good for

heart and soul,

mind and body.

So out of a deep longing for our very best, He is

pursuing us,

inviting us,

eagerly drawing us to Himself.

If you want all the riches that life offers,

seek the God who is seeking you.

Talk to Him.

Walk with Him.

Confide in Him.

Love Him.

Follow Him.

Turn yourself toward

your Source,

your Father,

your God.
