

# Ultimate Urgency

*Revelation 22:6-16*

We are approaching the gate to eternity.

The end will come  
quickly,  
suddenly,  
unpredictably,  
irreversibly,

The fate of each person will be eternally fixed.

The righteous will go to  
complete, unending union with  
the Source of all good.

The wicked will go to  
complete, unending separation from  
the Source of all good.

Heaven or hell,  
blessed or cursed,  
inside or forever outside.

Jesus had seen  
earth and heaven,  
time and eternity.

He spoke of His return and the judgment  
with absolute, ultimate urgency.

His coming again was  
the overriding reality that should determine  
our every decision,  
our every priority.

He urged us,  
implored us to  
get ready and  
stay ready.
