

God Wants You to Know Him

Do you want to know God better?
Knowing God is not reserved for
mystics or
the spiritual elite.

God wants **everyone** to know Him.
He **created** us to know Him.
He **designed** us to know Him.

All your life He has been calling you to
come closer to Him and
know Him better.
He reveals Himself to you
through the beautiful world around you.
He helps you feel His love
through the people who care about you.
His Spirit whispers in your heart.

God wants you to fully realize the truth about Him:
He is a living being, and He is
constantly,
personally with you.

As you understand this about God and
begin to trust Him,
it will change your life.
It will especially change the way you pray.
