

## I Sing Your Glory

Father, in Your world my mind and senses are flooded with  
light,  
color,  
beauty, and  
intricate pattern.

I swim in a sea of life,  
profuse in its head-spinning variety and  
constantly multiplying.

Immersed in Your world, a part of Your world,  
I hear its enchanting song of  
wisdom,  
power, and  
vast mystery.

Though corrupted by death,  
Your world sings of a  
tender, all-encompassing love.

Your world sings of You,  
our Creator,  
Father,  
Giver, and  
Sustainer!

It sings of Your goodness,  
Your greatness,  
Your presence, and  
Your glory.

I too am Your creation.  
May my life also sing of You.  
May everything I am  
be a hymn to Your glory,  
O Magnificent God!

**Hymn:**     [Not to Us, O Lord](#)
