

Easter Is a Story of Sacrifice

Easter is a story of sacrifice.
We cannot imagine all that King Jesus did for us.
We have never seen the beauty He gave up –
 the warmth of the light,
 the perfect joy,
 the unbroken peace,
 the rich, all-engulfing love.
And we will never experience what He suffered...

Stop for a moment and simply look up at Him.
See His body, bloodied and broken.
Look into His face, disfigured by pain and cruel abuse.
What do you wish to say your King?
