

You Long for Relationship

Hebrews 1:1

From the very beginning
You have longed for an intimate,
 loving,
 trusting
relationship with each of Your children and
 all of Your children.

You work tirelessly to help us
 know You.
Through creation You immerse us in Your
 power,
 wisdom, and
 faithful love.

You dramatize Your mighty salvation
 on the stage of history.

You take every opportunity to
flood our senses with the
 beauty and
 fragrance of Your presence.

You thunder Your greatness in the
 storm,
 fire, and
 earthquake.

You whisper Your smallness,
 Your tenderness,
 in each gentle breeze.

All history,
all creation is
 a glorious symphony and
 a simple love song
from You, our Father, our God.
