

The Danger of Drifting

Hebrews 2:1-4

This evil world is an ocean
with dangerous currents.
Your boat is small.

If you don't anchor yourself and
don't keep rowing in the right direction,
you will drift.
Just sit,
distracted by other things or
asleep, and
eventually,
you will drift to where you
never want to go.

Life in Christ is
a wonderful gift and
a glorious journey,
but not always an automatic one.
Keep your heart focused.
Keep moving toward your Destination.

Don't drift.
