

## Exodus Fulfilled in Christ

*The Word became flesh and dwelt among us, and we saw His glory, glory as of the only begotten from the Father, full of grace and truth.*

*Of His fullness we have all received, and grace upon grace.*

*For the Law was given through Moses; grace and truth were realized through Jesus Christ.*

*No one has seen God at any time; the only begotten God, who is in the bosom of the Father, He has explained Him. (John 1:14, 16-18, NASB)*

In the Exodus God freed His people from one of the mightiest nations on earth.  
In Jesus Christ He frees us from all evil, sin, and death.

In the wilderness God provided His people with bread and water,  
sustaining their bodies for a limited time.  
Jesus Christ is our eternal Bread and Wine, and the Water of Life.  
He feeds us forever with Himself.

At Sinai the disembodied voice of God thundered with fire and smoke and earthquake.  
In Jesus Christ God speaks to us as our Brother, with a human voice.

To Moses God showed His back, saying that He was grace and truth.  
In Jesus Christ we see God face-to-face and experience His grace and truth every day.

Through the tabernacle God reminded us of His presence  
using physical objects and our five senses.  
In Jesus Christ God Himself tabernacles among us and within us.

In Christ the Word of God is not a rule but a living, loving, breathing Person.  
His own Holy Spirit makes His home forever within us.  
His living glory shines through us, growing brighter and more beautiful every day.  
His unfailing love and absolute dependability are a personal reality to  
everyone who trusts Him.
