

## Engulfed in God

Father Creator,  
Holy Brother,  
Breath of God,

as we simply trust Your  
boundless,  
ever-seeking love,

You engulf us in  
Yourself.

You engulf us in  
Your holiness,  
Your goodness,  
Your light,  
Your joy, and  
Your perfect peace.

You bless us,  
enable us, and  
guide us

by  
Your limitless power,  
Your perfect wisdom, and  
Your unfailing love.

Praise to You,  
Father,  
Son, and  
Spirit!

You live in us, and  
we live in You!
