

Behind the Hymn: Discover Jesus Christ

Do realize that Jesus Christ can bring a fully satisfying life to absolutely everyone around you?

Personality doesn't matter.
Education doesn't matter.
Intellectual ability doesn't matter.
Social status doesn't matter.
Age doesn't matter.
Culture and nationality don't matter.

Christ can bring meaningful, satisfying life to every person you pass in public, each of your co-workers, every neighbor, every family member.

That realization was driving me in 1995 as I wrote an evangelistic flier for my local church, Kansas City First Church of the Nazarene. Originally published as *For Your Consideration*, number 6 in a series of 12, it became chapter 5 of the pocket-size book, *Knowing God*.

Discover Jesus Christ grew out of that piece. It invites everyone--believers, seekers, and unbelievers--to discover a fascinating person, the person who is the answer to life for our entire race and for each and every one of us: the man Jesus Christ.
