

We Are Listening

Father, You have called us here, and
we have come.

You have honored us with Your presence, and
we bow before You.

You are speaking.
The same voice that called the universe out of nothing and
filled it with
 life,
 love, and
 beauty
is now speaking
 to us and
 in us.

We are quiet, Lord.
We are waiting.
We are listening.

Hymn: [We Are Listening, Lord](#)
