

## Today in Your Care

Sovereign God,  
You dwell in eternity,  
    unmoved by time.  
Your promises,  
Your purposes,  
Your burning love are  
    always now,  
    always sure,  
    always undiminished.

Today  
I am in Your tender care.  
Here in You,  
    nothing is forgotten,  
    nothing ignored,  
    nothing overlooked,  
    nothing left to chance.  
Your purpose is never threatened.  
You suffer no surprises and  
    no setbacks.  
You are not bound  
    by the present or the past,  
    by norms or impossibilities.

Within me is  
    pain,  
    sorrow,  
    weakness, and  
    uncertainty.  
But You have hidden me in Yourself.  
I am completely,  
    eternally,  
    untouchably safe in You.

*The Eternal I AM,  
the Source of All,  
is my shepherd.  
I lack nothing.*
