

The Fruits of Your Presence

Revelation 21:22 – 22:5

Father, we will have no more need for a temple,
no need for a symbolic reminder of Your presence.

Your presence will be
full,
personal,
immediate.

We Your people will be Your temple.
You will live in and among us.

We will need no other sources of light.
You and Your Son will be the light, and
You will shine
within us and
in our midst.

We will glow and sparkle transparently
with the glory of Your presence.

Life will be
fresh,
fruitful,
abundant,
freely available,
constant,
forever.

We will live at its very source.

There will be no need to
hoard it or
haul it in in small doses.

It will flow in the water around us.

It will grow on all the trees.

Health and wholeness on every level will be
complete and
universal.

There will be no more curse,
no more shame.

Never again will we hang our heads and say,
“I am only human.”

Christ the Holy,
Christ the Glorious
is the new Adam, and
we are of His race.

We are His beautiful bride,

His chosen ones,
a blessing to all creation.

No longer will we be banished from the presence of the King.

We will see His face.

His name,

His character,

His glory

will radiate from us.

We will fully share

His life,

His authority,

His holy splendor

forever and ever.
