

## Reflection on Psalm 44

Father, You  
are and  
always have been and  
always will be

Almighty God –  
unlimited power,  
unfailing love, and  
absolute dependability.

You are  
always able,  
always knowing all things, and  
always eager to  
save us from whatever  
threatens,  
harms, or  
binds us.

But sometimes, receiving Your deliverance means  
waiting,  
patiently trusting, and  
patiently enduring  
for  
Your perfect will in  
Your perfect time.

Father, through such times,  
keep us strong in faith,  
with our eyes fixed on You.
