

Fullness of Life in Christ

Try to grasp it:
God and humanity,
 heaven and earth
right now enjoy a
 perfect, eternal, joyful union
 in Jesus Christ.

Can you imagine it?
The perfection of the Holy God
united with humanity?
 How often have we said it: "I am ONLY human!"
The perfect peace of God's heaven united with
 tumultuous, ever-rebelling earth?

But that perfect, eternal union is
here and now in Jesus Christ,
 fully God and
 fully human.
And as we are in Him,
 that union begins in us.

Read the gospels,
 especially the Gospel of John.
Savor the beautiful oneness
the Son enjoyed with the Father,
 loving Him, trusting Him,
 finding joy in Him,
 wanting only His will.
We begin to share in that relationship now as we
 simply
 trust
 Jesus Christ.

And soon, our joining will be
 perfect,
 complete,
 forever!
