

Knowing God in Jesus

The older I get, and
the more of life's dark places I go through,
the more I long to know You, Father.
I don't mean know *about* You.
I long to know *You*.

As I read and pray in pursuit of that goal,
You remind me that You have revealed Yourself completely in
Your Son, Jesus Christ.

As I read about His life, and
as I seek to keep in step with His Spirit,
He enables me to know You in ways
nothing and no one else can.

In Him I trace
Your mind and
Your heart.
I breathe Your Spirit.
I see Your love in action, and
I begin to love as You love.
I share in Your very life.

Jesus enjoyed Your presence, and
in Him,
I enjoy You in a new and fuller way.

Father, You are complete in Jesus Christ.
In Him, help me to know You more and more.

*Father, help me to know You
as You as You want to be known.
Help me to know You
as Jesus knows You.*
