

We Need the Spirit of Christ

To live as we need to live
day by day,
we need the life of Christ within.

To see our world as God sees it,
we need the heart of Christ.

To understand as God understands,
we need the mind of Christ.

To love as God loves,
we need the love of Christ.

To have the peace of Christ in
every challenge and
every situation,
we need His faith in the Father.

To be like Christ,
we need the Spirit of Christ.
