

A Vision from the Lord's Prayer

Matthew 6:9-10

As we daily face the oppressive evil of this world, Lord,
You give us a constant prayer,
 a growing vision,
 a deep, burning hunger
for a reality that is already beginning to dawn:

O our Father, high above all,
may everything and everyone in all creation
fully embrace

 Your greatness,
 Your loving control, and
 Your perfect will!

Permeate

 all that is with
 all You are!

May every mind,
 every heart,
 every life, and
 all the world
beautifully,
eternally
sing nothing but
 YOU!
