

Complete

Imagine:

Before creation,
nothing existed but
 God Himself.
He was all reality.
He was all existence,
 all being.
Existence itself flowed from Him.
And He was complete in Himself.

He still is.
He still is complete in Himself.
All that is
 flows from Him.
Existence itself
 still flows from Him.

He is life.
He is holiness.
He is truth.
He is wisdom.
He is the fullness of joy.
He is perfect peace,
 shalom shalom,
 complete, eternal well-being.

And we are complete in Him.
