

## **We Fear You, Almighty God**

We fear You, Almighty God.  
We believe that  
You are all You say You are, the  
    Eternal,  
    Magnificent  
    Sovereign over all reality.

So we trust You!  
We praise You!  
We rejoice in You!  
We obey You  
    gladly and eagerly,  
    knowing that  
Your will brings  
    all Your best blessings.  
Your will is that  
we share completely in all You are:  
    wisdom,  
    life,  
    holiness, and  
    joy.

Thank You, Father!  
We love You!  
We worship  
    all You are with  
    all we are!
