

The Dimensions of God's Love

Father, by Your mercy You have
brought us to Yourself and
embraced us as Your own children.
You have sunk our roots deeply into Your limitless love.
You have built our firm foundation on Your unfailing love for us.

So now, Lord, help us to comprehend
the full dimensions of that love.
Help us to grasp the breadth of Your love.
It extends to every nation, every culture,
every personality, every person.
Help us to grasp the length of Your love.
It is everlasting.
Time cannot touch it, and
nothing can separate us from it.
Show us the height of Your love.
As we trust You, You put nothing of Yourself out of our reach.
You lift us up and seat us with Christ in heavenly places.
Show us the depths of Your love.
You give Yourself completely for Your children.
No price is too high for You to redeem us.

As You reveal to us the full dimensions of Your love,
grow that love within us.
By Your Spirit,
the Spirit of the all-loving Christ,
help us to show Your magnificent love
to every person around us.
Enable us to treat each one as we would treat Christ Himself.
Empower us to bear every illness,
every inconvenience,
every sacrifice
as Christ bore His cross.
Inspire us to
do every deed and
speak every word
as a loving personal service to You.

Hymn: [The Dimensions of God's Love](#)
