

## The Body of Christ 2

Step back and look at it now:

the people of God,  
in all their variety,  
expressing God's beautiful  
truth,  
love, and  
goodness.

See Him being lived  
in daily ways  
in the full range of cultures and situations  
all over world.

You are getting a glimpse of  
the Body of Christ  
being Jesus  
everywhere there are people,  
everywhere He is needed.

Now imagine God's entire plan of salvation  
complete and perfect.

The people of God,  
the bride of Christ,  
the Body of Christ is  
complete in diversity and  
complete in unity,  
aglow with the  
the life and love,  
the glory and holy beauty of  
Jesus Christ Himself.

We are His Body,  
filling the earth with all He is.

God is fully incarnate,  
fully flesh-and-blood human,  
not just in a Single Person,  
but in an entire people.

Take your place in His Body now.  
Love.  
Serve.  
Give yourself completely  
to Jesus Christ and

to His people.
